Recruitment Information for Exhibitor

Conference period: Sunday, May 31, 2026 - Thursday, June 4, 2026

Venue: Dejima Messe Nagasaki

Organizer: IPEC-Nagasaki 2026 Organizing Committee

Welcome to IPEC2026

Dear all, We hope your company is keeping well-being. The "International Power Electronics Conference 2026," sponsored by the Industrial Applications Division of the Institute of Electrical Engineers of Japan (IEEJ), will be held from May 31 to June 4, 2026, at Dejima Messe Nagasaki in Nagasaki City, Japan. The conference aims to provide an international forum for research and discussion on the latest research findings in power electronics, contributing to the development of this field both domestically and internationally. This will be the 10th anniversary of the conference since its inception in 1983, and we expect to attract approximately 1,000 participants from Japan and abroad.

We therefore ask for your understanding of this conference and would like to invite you to exhibit at the event, providing useful and up-to-date information to conference participants who contribute to the research and development of power electronics. We would appreciate your understanding of the conference's purpose and your cooperation.

Sincerely,

May 2025
